**Kim Blanch LMT, RN**

Ms. Blanch is an RN and is the Community Services Manager in Population Health for Beebe Medical Center. Her area of focus is management of patients in the transitional care program with chronic and acute conditions. She is a yoga instructor, a licensed massage therapist and health coach at Holistic Coastal Wellness in Lewes. Her practice area of focus includes reconstructive healing, meditation instruction and Trigger Point Therapy.

**Tynetta Brown**

Ms. Brown is a member of the Board of Trustees for Delaware Breast Cancer Coalition.

**Roshni Guerry MD**

Dr. Guerry is the Medical Director for Supportive and Palliative Care at Christiana Care Healthcare system. She is a graduate of University of Rochester Medical Center where she also completed a Fellowship in Hospice and Palliative Care. Dr. Guerry is the author on a number of publications and has won several Focus on Excellence Awards for her work to integrate palliative care at Christiana Care. She is core faculty for a joint program in hospice and faculty care between Christiana Care Healthcare System and Nemours/A.I. DUPONT Children’s Hospital in affiliation with Sidney Kimmel Medical Hospital at Thomas Jefferson University in Wilmington, DE. She was instrumental in bringing the Vital Talk program to CCHS as a trainer and facilitator for teaching providers how to compassionately deliver serious news. Outside of CCHS, she is an alumni of Leadership Delaware (LDI) and a member of the Board of Directors for the Delaware Theater Company.

**Sheri Jones, LMT, CMLDT**

Ms. Jones began her medical career as an MRI technologist at Bayhealth Medical Center and went onto receive her Massage Therapist Diploma and is qualified in a number of massage techniques. She is the owner of Massage and Wellness in Lewes Delaware and her practice includes a focus on breast cancer patients.

**Nanci Mayer-Mihalski**

Ms. Mayer-Mihalski is a member and chair of the DBCC Research and Mentoring Committee and remains a leader with DBCC’s research efforts. She is co-chair of the Breast Cancer Update planning committee and a former DBCC Board member.
Mary McLaughlin MD

Dr. McLaughlin is a graduate of Temple University Medical School. She is an American board-certified anesthesiologist and practiced at several local institutions including Bryn Mawr hospital, Lankenau hospital and Paoli Memorial Hospital. Dr. McLaughlin is serving on the Board of Directors of Delaware Breast Cancer Coalition.

Lauren Mund Lac, Dipl OM

Ms. Mund began her career as a technical writer covering healthcare and technology. She received her Master of Acupuncture and Massage. She is currently focusing her practice on traditional Chinese medical therapies, acupuncture and acupressure at Blue Heron Acupuncture & Herbs in Milton, Delaware

Srujitha Murukutla MD

Dr. Murukutla is Board Certified in Internal Medicine and Hematology-Oncology and is currently at Beebe Tunnell Medical Center. She has published over 20 articles, book chapters, poster presentations and abstracts. Dr. Murukutla focus areas include triple negative breast cancers.

Wendy Newell, MD

Dr. Newell is a Board Certified General Surgeon at Wolf Creek Surgeons in Dover, DE. She graduated from the University of Pittsburgh School Of Medicine and completed her General Surgery Residency at Geisinger Medical Center in Danville, PA. Dr. Newell was instrumental in developing Bayhealth Medical Center’s “Go Pink” day, and is a member on many committees, societies and boards, including the American Society of Breast Surgeons, Bayhealth Cancer Institute Board of Directors and the Bayhealth Executive Board and a past board member at the Delaware Breast Cancer Coalition. She continually strives to raise the standards of Breast Cancer care and is devoted to her many Breast Cancer patients.

Lisa Newman MD, MPH

Dr. Newman received her medical degree from State University of New York and her Master’s in Public Health from Harvard University. She is Director, Interdisciplinary Breast Program and Chief, Division of Breast Surgery at Weill Cornell Medicine at New York Presbyterian Hospital. She is the founding Medical Director for the International Center for the Study of Breast Cancer Subtypes an international collaboration between University of Michigan and Ghana. Dr. Newman has received over 40 honors and awards and is an editor of over 20 publications. Her research interest is focused on why breast cancer risk and disease outcomes vary based upon patient’s race and ethnicity as well as triple negative breast cancer.
Adam Raben MD

Dr. Adam Raben received his medical degree from the Bowman Gray School of Medicine, Wake Forest University. He completed his residency in Radiation Oncology at Memorial Sloan Kettering Cancer Center. Dr. Raben is Chairman, Department of Radiation Oncology at Helen F Graham Cancer Center, Christiana Care Health System. He has been recognized as one of Delaware’s top doctors in Delaware Today magazine for several years. Dr. Raben has authored/co-authored over 60 journal articles and has served as President of the Delaware Society of Clinical Oncology.

Margot Savoy MD, MPH

Dr. Savoy is a graduate of the University of Maryland Medical School and serves as the Chair of the Department of Family and Community Medicine at Temple University as well as the Medical Director for the Department of Family and Community Medicine at Christiana Care Health System. Dr. Savoy has published over 50 journal articles and abstracts. She has received the Delaware Academy of Physicians Presidents Recognition 3 times. Dr. Savoy is involved in community education for triple negative breast cancer.

Rishi Sawhney, MD

Dr. Sawhney serves as the Medical Director of the Bayhealth Cancer Institute. Board-certified in Internal Medicine, Medical Oncology and Hematology, Dr. Sawhney earned his medical degree with high honors from Ross University School of Medicine. He completed his residency and chief residency in internal medicine at Harbor Hospital Center where he was awarded “Intern of the Year” and “Resident of the Year.” He then went on to complete a fellowship in hematology/oncology at the Medical University of South Carolina. He has an active interest in community based clinical research and educational programs.

Carol Tweed MD

Dr. Tweed is a graduate of Duke University Medical Center and completed her residencies and fellowships at the University of Pennsylvania. She is an attending physician in Oncology and Hematology at the Anne Arundel Medical Center. Her focus includes breast cancer therapeutic trends and treatments. Dr. Tweed is co-creator and moderator at the Annapolis Breast Cancer Genomics conference convened in Annapolis.
